

Оптические явления в атмосфере

Радуга

- Оптическое явление в атмосфере, которое наблюдается, когда солнце освещает пелену дождя.

A photograph of a paved road in a rural area. The road is dark asphalt and runs from the foreground towards the background. On the left side of the road, there are several houses with red roofs and green trees. On the right side, there is a grassy area with a stone wall and a small drainage pipe. In the distance, a white car is visible on the road, and a person is standing near it. The sky is blue with some clouds. The word "Мирáж" is written in white text across the bottom left of the image.

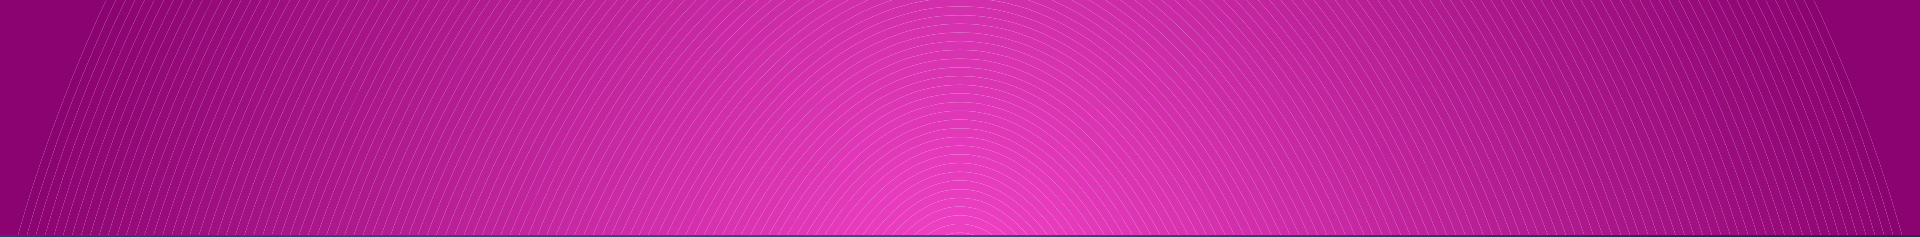

Мирáж
